

EUROPEAN FEDERATION OF CITY FARMS

## EFCF Erasmus+ Youth Workers Exchange

October 21-October 25, 2026

Den Helder, The Netherlands

Come to the northern tip of the Netherlands, close to the UNESCO World Heritage-listed Wadden Sea to see how we engage and inspire young people in the Netherlands to connect with nature and how these experiences can influence their interest in pursuing a "green" career.

We will visit Den Helder, Texel, Alkmaar and Amsterdams city farms and inspiring locations!
